

Let Us Sell Your Horse!

How it works-

You pay: \$60 listing fee (paid in advance)

6% commission when sold-or-

\$150 flat fee if sold elsewhere privately after being listed-However, if I have a sale pending on the horse, I charge ½ commission =3%. **Also**-if you share my ad (which is fine) I expect any potential buyers to be directed to me, Lisa McMahon.

On Stallion Seasons (Breeding or Re-breeds) I charge:

\$75 listing fee (paid in advance) 6% commission when sold with \$100 minimum.

What you get:

Copy writing and discovery for the listing on Blazinfire.com which will be promoted as well.

Postings will go on Facebook pages whose audience is geared for potential buyers of racing Quarter Horses and includes correspondence with potential buyers and, of course, the seller.

Lisa will also contact her clients that are buyers- direct-through phone, text or email.

Lisa McMahon will be your agent but sales proceeds will go direct to you, the seller.

You will be invoiced for commission. 😊

Extras : Equine pedigree report-this is advised but not mandatory.

The cost is \$15.00 to get one. **I advise this especially on broodmares for sale.**

If you already have one for your horse-please send it to me.

Payment:

PayPal/Zelle/Venmo is the quickest way to get started but checks and money orders are accepted.

This is the email address to send payment to Pay Pal- Lisamcadv@aol.com and I also take Zelle and Venmo.

Please ask for that info. My address is at the bottom of this page for checks.

I will also need: Emailed to me (Lisamcadv@aol.com) - **copy of the horse's papers** (and sometimes a copy of a signed transfer will also be required) **copy of current negative coggins test**, pedigree info, other info and any photos you want to use. If you do not have a pedigree report that you can furnish, I can usually get my research done through sales catalogs, Equibase or AQHA. Your horse will usually be listed within one week after listing fee payment is made-sometimes sooner but could be a little later due to listing volume.

Thanks! Lisa Cell to call/text (901) 603-4050 ~ Email Lisamcadv@aol.com
